DIRECTOR OF
EXPLORATIONS

Defrancesca

I was recently promoted to Director of Terrestrial Explorations. My job is to research what instruments we can put into holes to get a reading of what's down there. My able assistant is George, who has just joined the company from his illustrious past. His first research job was to explore my holes and be sure his cock fits snugly.

THE NIGHTS OF MALTA

After glancing up and down the beach, she paused to look across the wave tops before picking the novel back up. He seemed to appear from nowhere, having strolled down the beach with the rising sun at his back. His broad shoulders blocked out the sun, but could not diminish the brilliant aura that burned around him. Walking straight to her, he offered a hand and lifted her to her feet. At well over six feet tall, his tawny frame towered above the others that frolicked on the beach and in the water. His chest and arms might have been carved from a massive oak tree, unyielding by nature yet supple when so directed.

Impossibly sculpted abs were separated from muscular thighs by trim hips, while his uncommonly ample buttocks threatened to breach the protesting leopard patterned brief. This was a man that took athleticism to the next level. No sacrifice had been too great while he had built and maintained his body as others might dote over a classic automobile. A blind woman would surely require several days to explore every ripple of his body.

A constant tropical sun had bleached the unruly mass of golden curls that framed his silver-blue eyes. Perhaps burning ice could rival the gems that God alone must have set above the stone-carved lines of his jaw. His devastating smile was fashioned from lips that were almost too full. There had to be a blemish, but find it she had not.

He held her close, luxuriating in the moment before pulling back just a bit. They gazed upon one another, half smiles set beneath smoldering eyes. He looked to her strawberry lips and then back into her eyes, peering to the very depths of her soul. His lips sought hers and together they melded, tongues jousting in a passionate duel. Her hair spilled between fingers on one hand, while his other smoothed the small of her back on its journey lower. His fingers spread to fondle her bottom, confidently pulling her to him. She could feel his excitement as their hips met. Knowing that they would not contain their desire, they broke the embrace long enough to gather her blanket and cooler. Two quick skips, and the trotted off hand in hand.

Not far from this white sandy beach, she knew of a hidden cove into which few, if any would think to explore. They hurried on a few minutes further, leaving all traces of civilization behind. The sun was climbing to its mid-day peak as gulls and waterfowl soared overhead. Waves crashed onto the shore, releasing their salts to season the warm island breeze. Nature ruled this moment, flooding them with the beast of her touch, her sights, sounds and her desires.

Upon reaching the secluded cove, they em-

braced once more. Hidden by towering rock formations, only the sounds of the pounding surf and the wild birds of the rain forest could reach them as they inhabited their own private island within the island. It was a world for them alone. Holding her face softly with both hands, he pecked kisses upon her nose, her forehead and lips. Fighting the urge to speed ahead and ravage each other with lust, the lovers drank slowly from each other's passion. A lone cloud spied from the clear blue sky as they twisted down to the blanket that they had spread upon the warm tropical sand.

Their meager beach attire nearly shed itself as the lovers rolled together in the shade of the largest boulders. Urging her to

her back, he began trailing kisses down her neck. Then kneeling above her, he fondled her breasts, ignoring her nipples as they grew with excitement. He continued to plant the butterfly kisses. Here, and there, and then upon her breast. Circling her breasts with warm kisses, he teased her. In response, she involuntarily arched her back, hoping to bring him closer. And then as if answering her plea, he accepted the nipple, gently massaging with only his lips. Moving across, he acknowledged her other nipple while his roving hands rediscovered the curves of her body.

Taking the budding breast now into his mouth, he bathed it with his tongue. Light taps and swipes upon her nipple. His hand drifted down to enjoy the feel of her hip. He suckled first one breast and then the other, before tugging lightly with his teeth. Her fingers wove through his hair and then traced his ears, eyes and chin. She made no at

tempt to hold him back when the sprinkling of kisses began to move lower. He kissed the tender skin just under her breasts, and then reverently, he followed his lips further down her body.

A refreshing breeze spilled from the shade of the rainforest, abating the onrushing mid-day heat. From a kneeling position between her thighs, he slid himself down to lie upon his stomach. He wanted to be comfortable for what was to come. His arms wrapped under her thighs and reached to caress her breasts. Inhaling her muskiness, he began to drag first one lip, and then the other across her warming folds. Bumping and brushing as gently as he could, he teased her. Several minutes passed with only the slow delicate brushing of his own lips upon those of her sex. He was beginning to taste her excitement now.

Abandoning all pretense of maintaining control, she planted her feet on his shoulders and offered herself freely. He rewarded her with the first probings of his tongue as she blushed into full bloom. Exquisite soft tracings were languished upon her, up along one side of her moistness, and then down the other. He grazed lightly one time across the essence of her sex ushering the warmest of tingling sensations. He continued, no intoxicated by her scent.

With his left hand, he fondled her breast while his right hand slowly worked its way down her tummy to rest upon her mound, his thumb scribing soft circles. She raised hips in response, wishing to make contact where she so desperately needed it. Sharing her thoughts, he tenderly worked to the moist center of her desire. Scarcely drawing across her with just the tip of his tongue, he then curled it and brought it nearer to her clitoris, touching it not. He repeated the motion over and over. Probing a bit deeper each time, it would then curl up and glide back on target, barely missing on opposite sides with each successive pass. His teasing was delightful torture.

Reaching one hand to the back of his head, she guided him closer and thrust her hips up to greet him. And then at long last, he brushed the swollen nubbin head on, jolting her with pleasure. His hand wandered lower, only to gently pull back on her flesh, further revealing her to him. His tongue danced in rhythm with her passion, delicately tracing and gently tapping her, before warmly embracing the engorged bundle of nerves. One hand worked to support and fondle her bottom now, as she continued to lift herself to him.

He moved so that he could tease her with first one, and then two fingers in concert with the warmth of his oral stimulations. He went on to trace the folds and recesses of her sex. He held his two fingers firm so that she could choose to accept more as he slowly entered her. Once she accommodated herself to the fullness, she began a slow grinding motion. Her hips would then rock up and relax back down. Again and again she repeated the cycle, rejoicing in the delirium that increasingly held her in bondage. Unable to restrain her jubilation, she brought her hands to her breasts, lightly pinching and tugging at her aroused nipples.

Slowly, her hips rolled in time with the crashing waves, thrusting ever steady and sure. She bit the corner of her lower lip, lest she cry out and utterly surrender to the sensations that threatened to overwhelm her. The first time that they had made love; she had oathed to take control when next they met. And now once again, though she felt the heat growing from within her inner being, she nearly cursed herself for being unable to set aside the pleasure and to take command of the moment. The next time she swore, it would

be different. She would set the rules. The rules would be hers. But this time, oh yes! This time she would allow him to have his way.

Several minutes later, he slowly withdrew his fingers and broke all contact with her. Shamelessly, she thrust and rocked her hips in an effort to reacquire his attention. She was too far gone to lose this feeling now. Releasing her nipples, she clutched him by the hair and dragged him back to where he belonged. Feigning indifference, he blew lightly across her before taking a third finger into his mouth to moisten it. With the three fingers bundled together as one, he offered them to her. Dragging his flattened tongue back across her, he began to satisfy her cravings. Arching her back in greedy acceptance, she brimmed with ecstasy as he suckled her.

They became deaf and blind to the world as his tongue continued its dance for her, blending firm with a wisp, and adding every varying touch in-between. He sought merely to provide as much pleasure as her mind and body could endure. She could see sporadic flashes of light as the unbridled tide raced toward her. Having been set in motion, there would be no turning it back now.

The sensation seemed to draw from each and every nerve of her body. Imploding then, to converge at a single point before seething out, causing her knees to tremble as she continued to desperately ride his shoulders. Her breathing quickened, and a wonderful light-headedness overtook her. Sensing her imminent orgasm, he began to ease his fingers from her, ever so slowly. His tongue however, was unrelenting as he continued to circle, nudge and bump across her, unable to give or receive enough. Her hips began bucking involuntarily

as the glorious wave reverberated back to engulf her. Pulling him closer with both hands to meet her thrusting hips, her sex grasped at him as he paid loving homage. He inhaled her inflamed button, taking it into his mouth. Caressing with just the tip of his tongue, he bathed every recess and bumped each receptor that sought pleasure.

Even as the first orgasm carried her away and attempted to ebb, a second more powerful tremor was building to crash upon her. Eyes screwed shut to the blinding sun, she urged him on. Unintelligible sounds echoed off the rocks as both lovers expressed their appreciation to the other. With his elbows planted in the sand, powerful hands cupped her rounded cheeks. Only her shoulders remained planted on the blanked when she raised her head to look upon him through dreamy eyes. He drew her closer to the lips that sought only to please her more, if that was indeed possible.

The second orgasm carried remnants of the first, simultaneously flowing over and thru her body. To breathe seemed impossible as her heart raced to keep pace with the waves of pleasure. He continued to knead her flesh, as his tongue painted her with the lightest possible brush; five, six, then seven times. Nearly releasing her, his pursed lips issued a brisk cool breeze upon her. His breath warmed and spread, settling with a torrid kiss upon her. She arched her back and thrust her hips in a final request, her body quaking in blissful release as the orgasm shuddered throughout her body.

Having crested, the tide receded while she blinked herself back to reality. No longer holding their breath, the jungle birds began a new song. His hands roamed about her as he kissed his way back to her closed eyes. Breathing was an effort as she regained control, occasionally convulsing from the aftershocks of her pleasure. Raising up and moving his head slightly, he blocked the sun from her. As their eyes met, her angelic smile was the reward for the rapture he had selflessly bestowed. Breathing deep once again, she exhaled a long drawn-out sigh and reached out to touch his face. She spoke for the first time in an hour. "You do know how to please me," she purred. "MMM, I love the way you love me. But sometimes a girl needs to be fucked. Are you up to it?"

Setting the novel aside, she wiped the perspiration from her face and quenched her thirst again. The tropical sun and her imagination had warmed her beyond what she had thought possible. A quick glance up and down the beach, and she tossed her sunglasses into a wide-brimmed straw hat. A mile breeze lifted her curly brown hair as she walked into the surf, her hips swaying to a beat that only she could hear. She waded out until the sea was waist deep. The sun turned the ocean spray to glittering rainbows when she brought her hands together and dove through the next incoming wave. Just below the surface, she cut through the water until breathless. She rocked forward as the troughs tickled her midriff, until the next wave pushed her back onto her heels. After wiping her hair back and out of her eyes, her hands drifted over her breasts and continued, absentmindedly following the curves of her body. "Would she ever find a man worth keeping?" her thoughts blurred toward the shimmering horizon. "Wasted efforts" came the involuntary reply after the next wave splashed her back to the present. Casting these thoughts aside, she turned to face the tiki huts scattered in front of the hotel. It was time to bet back and start packing. "Why can't a week at work pass this fast?" she asked a passing bird which snubbed her of a reply. Pushing off with the waves behind her, Angie allowed the sea to embrace her and carry her back to shore.

suite for four, please

David heard her footsteps coming up the walkway, and then the doorbell rang. He opened the door and saw it was his wife's best friend, Chelsee. With a flick of her finger on his cheek, Chelsee smiled as she walked into the house and right by him. David watched her firm butt disappear through the living room and to the patio doors. She could see his wife, Akki and another girlfriend, Nikole, through the glass door in their bikinis by the pool. She stopped in her tracks and looked back over her shoulder at David looking at her. She stopped at the door and pulled up her little sundress, exposing a youthful figure barely covered by a red bikini.

She threw the dress on a nearby chair, opened the patio doors and stepped out. Turning to close the door behind her, she took her time, all the while maintaining eye contact with David. He loved her flirt-

ing, but nothing ever became of it. What a goddamn tease it is to have three gorgeous women half naked sunning by the pool and all you can do is look.

David could only look at them laughing and hugging as they strutted about. He noticed them bending over, flashing their mocha bodies and flirting with each other. He stood at the patio door, knowing they could not see him and rubbed his crotch feeling his erection grow as he watched the three ladies. He knew full well they were doing it deliberately. They'd been doing this sort of thing ever since they became best friends in bartender's school. He watched Chelsee settle into a lounge chair on her stomach. He knew she couldn't see him because it was so much brighter outside, but he sensed she knew he was there. Her large boobs hung in their bikini sling as she was propped on her elbows. Looking up, he noticed Nikole go over and sit on the longer's edge and began rubbing lotion on Chelsee's back.

Nikole was just as much of a flirt, flaunting herself at him whenever they were alone. He didn't dare mention anything to Akki for fear of the flirt stopping. He liked the attention and didn't want the ladies to stop coming over because of him. Eventually they got bored outside and came into the house. Nikole suggested a couple days away from their houses and decided to get a large suite in a posh Strip hotel. It would be

the four of them. The following Saturday David and Akki packed their weekenders and headed out for the hotel. Nikki was the lead barkeep at the hotel that catered to Asian whales (high rollers), and so the room was comped. Only the expendables were charged.

When they arrived, Nikole and Chelsee were already in their suite. It had 2 bedrooms with en-suite bathrooms, and a large lounge area with a 60-inch flat sC.J.n TV. Both bedrooms had huge beds, one of which Akki threw herself on it squealing with delight. After quickly unpacking, Akki and the girls hit the shops at the hotel's mall. Akki was wearing a short brown skirt that clung to her butt and dressy beige blouse with pearl buttons down the front. Chelsee was in her favorite red dress cut down the front with a deep V that emphasized her full chest. Nikole, was in all black with six inches of gold bracelets running and clanging up her right arm. They all displayed plenty of cleavage and looked like high class hookers. (Sorry ladies, but you did.) By the time they'd finished dinner and drinks, all four were feeling quite happy.

The ride up in the elevator was long and the walk down the hallway was short. Nikole unlocked the door and immediately went to her room and found the bathroom. The others walked gently over to the lounge area and found seats. David managed to find the music station and then a seat on the sofa. The remaining two danced seductively to the music, holding each other, gyrating and thrusting, jiggling and wiggling themselves at David. Akki unzipped her best friend's dress and threw it on the chair. Stepping back she

his trousers to give his growing erection some room. Akki's stockings and garter belt framed her ass beautifully. (Oh, did I forget to mention her garters and hose?) Chelsee fell back onto the sofa and instantly spread her legs wide as Akki moved down and placed her hands under her thighs and began to lick her pussy. She flicked her tongue on Chelsee's clit and then worked a finger inside and slowly finger-fucked her hole. Akki stood and then straddled her in a sixty-nine. Chelsee got busy straight away, licking Akki's pussy and sliding a finger or two into it.

From between Chelsee's legs, he heard a muffled command from Akki. "Baby, stick your finger in my ass." David sucked his index finger and pushed it into her tight asshole. Her

slid out of her own blouse and skirt and stood there in her new lingerie and high heels. Akki led Chelsee to the couch in front of David and sat her on the edge before pushing her back. She first removed Chelsee's panties and then her own and starting kissing Chelsee's neck.

Her hands groped at her friend's full breasts and kissing her way down Chelsee's body, she sucked them, nibbling her nipples and making Chelsee whimper. David shifted in his chair, re-arranging

sphincter muscle resisted but she relaxed and he managed to push in. As he pulled it out and pushed it back for the second time he felt Akki tremble. Chelsee reached under their sweaty bodies and pushed a finger into Akki's pussy and felt her grind backwards onto it. Her

hand brushed David's and in unison their fingers fucked the lucky babe. David stood and removed his clothes, unable to take his eyes off this scene in front of him: the two ladies eating each other out. Moving closer to the sofa, he offered his

gradually eased herself onto David's dick until she was sliding up and down the entire length of his shaft.

cock to Akki who turned from Chelsee's wet pussy and opened her mouth to take it in. He rocked his hips as he held her head, sliding his cock in and out of her mouth.

David reached down and pulled Akki off of Chelsee and plopped down on the sofa where they had been sucking and laid back with his eight-inch hard-on pointing up at the ceiling. Akki crawled over to where David had propped himself up and grasped the base of his cock guiding him into her mouth. She sucked him in. She stopped sucking and Chelsee took over. David watched his cock disappear into Chelsee's mouth and deep into her throat. David pulled the girls off and indicated that he wanted to fuck Chelsee. She moved up, holding his cock, hovering her pussy above it as she straddled him. Slowly she sank down, inching him into her tight warm hole. Akki knelt behind her kissing her neck and playing with her boobs. Raising herself up again and then lowering herself, Chelsee

enough a moment later, Chelsee stiffened and threw her head back closing her eyes. Akki hugged her friend tightly as she convulsed and then, as her orgasm subsided, let her flop down on him. Akki then straddled him in reverse cowgirl position and took over, bouncing on the lucky man's cock.

Suddenly, the lights came on with a blinding fury. Nikole had entered the room to a writhing mass of flesh on the sofa. Akki curled her finger and motioned Nikole to come over, but to turn the lights off. She did and when she got to the sofa, Chelsee got up and helped strip Nikole. Chelsee gently pushed Nikole down on a chair and dropped to her knees in front of Nikole's private altar. She reached forward and spread her pussy lips and dove right in. Nikole moaned and started pinching her nipples. After several minutes, Nikole came as Chelsee licked at her pussy.

Then Nikole took Chelsee's and Akki's hands and pulled them to the bedroom. She looked at David and told him he could watch. At this point, that was fine with him. The three ladies dropped onto their sides on the bed in a seemingly choreographed daisy-chain of licking and sucking. David closed his eyes to listen to the sucking, slurping and moaning as they went at each other's pussies with great zest. An hour later all three had climaxed and collapsed onto their backs, falling asleep in that same position they finished the night before. Morning came early and they gathered their stuff and met in the lobby. The three gathered close around him and whispered in unison, "Happy birthday David."

A photograph showing a person's legs and feet. The person is sitting or lying on a white surface, with their legs extended. They are wearing a tiger-print rug or blanket. The background is dark, and there is a metal structure visible in the upper right corner.

I am blessed with flawless skin, a perfect doll face and deep brown bedroom eyes with a most seductive sparkle in them. A kissable round bottom and soft, natural breasts give me that perfectly shaped hour-glass-figure. You won't get enough of touching my soft, velvet skin, feeling my womanly curves pressed against your body and feeling my warm mouth encircle your hard cock. Then, if you're good, I'll take and put it in my pussy for your fuck of a lifetime!

Kinda like my pubic hair. I tried a landing strip, a triangle, and even shaved it all off, but hated it growing back!
